

i

Distance Learning

- ☑ Start any time you like
- ☑ Study from anywhere in the world – all you need is a post office
- ☑ Receive your course material via post, CD or download
- ☑ All courses have advisors available for contact via phone, email or in person
- ☑ Modules contain self-review questions to keep you on track for your assessments
- ☑ Study at your own pace either as quick or as slow as you like

How does it work?

Step 1 - Enrol and receive your Distance Learning pack through the post

Step 2 - Each module contains an easy format making it easy to move through the subject matter

Step 3 - Details of required assessments are outline in the relevant modules

How long does it take to complete?

We estimate that even working full time, you would be able to get through 1 module per month.

If you are really time constrained allow 2 months per module.

Courses available via Distance Learning

Certificate in Oriental Psychology

Did you know?

- ① Our courses focus on specialised areas and have been written and taught by expert practitioners and teachers in the field. You can trust that you are getting the best in the business
- ① Our Distance Learning students receive the same top level education as our face to face students

"I was astonished how easy it was for me to complete this fantastic course. I received my big box of 'goodies' so quickly after enrolling and have enjoyed absorbing all this new knowledge. Having the course advisors available via email has made me feel like I am in the classroom. I haven't missed a thing!"
MA – Canada

Art of Health Education specializes in sharing the secrets of the Oriental healing arts, the ancient paradigm that introduced the concept of holistic healing to the world.

The Oriental Healing Arts have evolved over a period of 5000 years to produce one of the most effective scientific yet deeply spiritual frameworks available in the world today.
